Re: Re: *U.S. v. Cannonier 20 cr 674 (NRB)*

Dear Judge Buchwald:

Dated: New York, New York
January 17, 2023

I am counsel to Mr. Cannonier in the above referenced matter. Please accept this letter as a status report and in lieu of a formal motion requesting an adjournment of Mr. Cannonier's sentence.

Sentencing is currently scheduled for January 24, 2023.

I previously received the draft Presentence Investigation Report (the "PSR") and submitted numerous objections to it. As noted in the final version of the PSR, almost all of these objections were rejected by the Probation Department. As such, these issues -- including ones addressing the calculation of Mr. Cannonier's advisory Sentencing Guidelines -- must be briefed, and presented for the Court's resolution, in the Sentencing Memorandum I am preparing on behalf of Mr. Cannonier. In addition, I seek additional time to meet with Mr. Cannonier and discuss the preparation of the Sentencing Memorandum and to review information he has provided to me.

Accordingly, I respectfully request the sentencing date be adjourned for approximately 45 days. Subject to the Court and Government's availability I can be available on the following dates: March 8, 9, 14, 15 (after 12 p.m.), 16 or 17.

I have conferred with the Government and they do not object to this request.

Respectfully submitted,

/s/

Jeffrey G. Pittell
